Student Registration Manual

Academic Year 2023

Foreword

The Student Registration Manual is compiled by the Office of the Registrar to provide both undergraduate and graduate students understanding in processes involved in student registration, starting from their first enrollment into Chulalongkorn University up until to their graduation. It contains guideline on registration process, required documents, schedules, and contact information.

Nevertheless, throughout the academic year, it is possible that there might be some change in details regarding registration processs. It is highly recommended that all students should follow latest information, procedures, or schedule at the Office of the Registrar's website (https://www.reg.chula.ac.th) regularly to ensure that they do not miss the deadline or any steps in registration.

We hope that this manual will be of use throughout your study in Chulalongkorn University.

Course Registration

Chulalongkorn University uses an academic credit system in providing education. There are two type of academic systems: a semester (semester-international) system and a trimester system. In the semester (semester-international) system, one academic year is divided into two semesters, first semester and second semester, while one summer session following the second semester is optional. In the trimester system, one academic year is divided into three semesters. Students must register for courses in every semester, while registering in the summer session is optional.

The total number of credits registered must comply with Chulalongkorn University Regulatons on Undergraduate Studies B.E. 2556 or Regulations on Graduate Studies B.E. 2551 and B.E. 2561.

Regular Registration

2.6 Log out. **Students must always log out to prevent others from performing any unauthorized action under your account.**

Remarks

1) In each semester, the Office of the Registrar will schedule the period for course registration into several rounds, considering that all students have equal priority to register for their preferred courses. The Office of the Registrar will submit the report of number of students who have requested to register for each course to the Faculty supervising the course, so that they could assign an appropriate number of seats for students. The information of students registering in the each period will be processed altogether at once. The seat allocation will be processed by a computer program to randomize the seats, and the result will be shown in the Requested Registration Result (CR74).

2) Students should closely follow the detailed schedule and the number of registration rounds from Registration Announcement for each semester, or from the Academic Calendar (CR90)

Late Registration

Students who have not registered in the regular period must proceed with late registration (with late fine paid according to Chulalongkorn University's announcement B.E. 2562) within the first two weeks of the semester. Late registration for summer session should be done within the first week. Late registration can be proceed at www.reg.chula.ac.th, and the registration manual can be found on the website.

1. Access into registration system by "Login" > "Registration / Personal Information" > "Registration"
    - Key in your student ID number
    - Key in your password
    - Key in the Captcha
    - Click "Enter"

    - Key in the registration code (applicable for undergraduate students)
    - Key in course number and section **** For graduate students' THESIS course, key in course number, choose "T" for section, and specify credit number.**
3. Confrim the registration within the time specified
4. Check the Registration Result under the menu "Personal Information"
5. Log out. **Students must always log out to prevent others from performing any unauthorized action under your account.**

Course adding, dropping, and section change

Students who have completed registration can register for more courses or change section of the registered course within the first two weeks of the semester or the first week of the summer session under the menu "Regular Registration/Section Change". Dropping courses can be done within the first six weeks of the semester or the first two weeks of the summer session. All processes can be done at www.reg.chula.ac.th, and the manual is available on the website.

1. Access into registration system by "Login" > "Registration / Personal Information" > "Registration"
2. Choose "Registration: Regular Registration/Section Change/Drop" and then key in course number and section.
3. Confirm the registration **(In course dropping, you must save and then confirm)**
4. Check the Registration Result under the menu "Personal Information"
5. Log out. **Students must always log out to prevent others from performing any unauthorized action under your account.**

Information on Requested Registration Result (CR74)

Students should check Requested Registration Result (CR74) to see their successfully registered courses (COURSE REGISTERED) and courses that were not (COURSE NOT REGISTERED). There are several reasons that result in COURSE NOT REGISTERED such as:

Reason	Meaning
1. **COURSE FULL**	This course has maximum number of students registered.
2. **COURSE CLOSED**	This course is closed.
3. **SECTION CLOSED**	Ths section is closed.
4. **EXAM CONFLICT**	There is exam date and time conflict.
5. **CREDIT LIMIT EXCEEDED**	Maximum register credits exceeded.
6. **DUPLICATE COURSE NUMBER**	You have already submitted this course number in the same round.
7. **CAN NOT ENTER GENERAL EDUCATION COURSE MORE THAN TWO COURSE**	Registering for more than two General Education (GEN-ED) courses is not allowed.
8. INVALID REPEAT REGISTRATION	This course have been registered (this semester or other semesters).
9. **NOT ALLOWED TO REGISTER**	You are not allowed to register due to student status termination.

If any remark appeared in the Requested Registration Result (CR74), students should refer to their advisors or the course coordinator of the faculty offering that course, and then add the course(s) within the first two weeks of the semester, or the first week of the summer session.

Any questions regarding CR74 can be directed to Division of Registration, Office of the Registrar, Chamchuri 6 Building.

If the CR74 showed that all courses are not registered, students should register again during the late registration period and follow the late registration procedures. Regardless of the number of courses successfully or unsuccessfully registered, tuition fees should still be paid accordingly to the specified schedule.

S/U or V/W Registration

Students intended to register a course and receive S/U or V/W evaluation can submit Request Form for S/U or V/W Registration (CR43) to their Faculty's Registrar Office within the first week of the semester or a week before the summer session begins. The total number of credit registered must not exceed the maximum credits allowed as specified in the regulations.

For undergraduate students, the Office of the Registrar will add the S/U or V/W course only if the request has been approved. Students are allowed to register for the intended course beforehand, and the Office of the Registrar will later change the evalulation method to which was requested after the request was approved.

(CU Regulations on Undergraduate Studies B.E. 2556)

No 5.3 Registration for courses that are not mandatory in the program and letter grade evalulation method is not preferred should be done within the period of course adding as in No 6.1 by submitting the request form to the Office of the Registrar in agreement from the advisor and with approval from the course instructor. The total number of credits registered must not exceed the maximum as in No 5.2

No 5.4 Registration as Vistiors should comply with No 5.3

Or CU Regulations on Undergraduate Studies B.E. 2565

No 22 Registration for courses that are not mandatory in the program and letter grade evalulation method is not preferred should be done within the period of course adding as in No 28 by submitting the request form to the Office of the Registrar in agreement from the advisor and with approval from the course instructor. The total number of credits registered must not exceed the maximum as in No 21

No 23 Registration as Vistiors should comply with No 22

Registration for Undergraduate Students

According to No 5.5 of CU Regulations on Undergraduate Studies B.E. 2556, course registration should comply with the following conditions:

* The advisor agrees with the registration and
* Comply with the conditions of the program

Courses could be dropped or withdrawn by the request from the Faculty if the registration does not comply with the regulations.

Graduate students who have registered all THESIS course credits required in the program but have not submitted the written thesis must register for THESIS course with 0 credit and pay full tuition fee (and program fee if applicable).

Graduate students registering for undergraduate courses will have their results evaluated in S or U.

Any questions regarding CUNET account or password should be directed to: Office of Information Technology
Chamchuri 3 Building, 4th Floor
Tel. 0-2218-3314 or www.it.chula.ac.th

3. Contact the Office of the Registrar for the request's result and pay the status retaining fee of 5,000 baht through CU NEX Application

Sick Leave

There are two types of sick leave:

Sick Leave Prior to Examinations if students fall sick before the study period of that semester ends, remain sick until the examination date, and are unable to take the exam for one or more courses, students should take sick leave prior to the examination (the period to take leave of absence has already passed).

Sick Leave During Examinations if stuents have completed ther studies but fall sick during the examination period and are unable to take the exam for one or more courses, studens should take sick leave during examinations

Both types of sick leave can be proceeded as follows:

1. Download CR44 (Request Form for Sick Leave) from the Office of the Registrar's website under "Forms"
2. Submit CR44 to the Faculty's Registrar Office. The CR44 must be signed for approval by the advisor, and a doctor's certificate issued by a government hospital, a private hospital accredited by the Ministry of Health must also be attached. (The doctor's comment on the student's sickness must be dated on the same date and time the student is absent from the examination)

3. Contact the Office of the Registrar for the result.

CR44 mus be submited within 1 week after the date of the sickness. You can also refer to No.13.2 of Regulations on Undergraduate Studies B.E. 2556 and Announcement on Grading Criteria for Students on Sick Leave B.e. 2557 or No. 113 of Regulations on Graduate Studies B.E. 2551 or No. 85 of Regulations on Graduate Studies B.E. 2561

If the sick leave request is approved, the highest grade symbol awarded for the course that the students have missed the exam is C for undergraduate students (according to No. 8.2.1.2) and B for graduate students (according to No.112 of B.E. 2551, No.84 of B.E. 2561)

Students whose sick leave have been approved and received I (Incomplete) in their grade report must ensure to have that I changed, otherwise that I symbol will be changed into F or U within the first two weeks of the following semester.

Exam Absence Due to Unavoidable Circumstances

Students who were absent from the examination due to unavoidable circumstances should refer to No. 8.2.3.3 of Chulalongkorn University's Regulations on Undergraduate Studies B.E. 2556 and Chulalongkorn University's Announcement on Criteria for Consideration in Extreme Circumstances B.E. 2557 or No. 112(3) of Chulalongkorn University's Regulations on Graduate Studies B.E. 2551 or No. 84(3) of Chulalongkorn University's Regulations on Graduate Studies B.E. 2561 and follow these procedures:

1. Download CR41 (General Request Form) from the Office of the Registrar's website > Forms
2. Submit CR41 with supplementary documents as proof to the Faculty's Registrar Office
3. Contact the Office of the Registrar for the result.

Resignation

Students who wished to resign from the University should submit the request by following these procedures:

1. Download CR31 (Request Form for Resingation) from the Office of the Registrar's website > Forms
2. Submit CR31 to the Faculty's Registrar Office with reason for resignation
3. After the Dean's approval, the resignation will take effect on the date the resignation request was submitted to the Faculty's Registrar Office.
4. Students whose resignation has bee approved will not be entitled to any refunds except for those who have submitted the CR45 form before the start date of the semester which the tuition have already been paid for. In this case, you can submit CR45 form to request for refunds within the 6th week of the semester or the 2nd week of summer session.

Request for Graduation

Students who have completed all the requirements of the program in the final semester and are expecting to graduate must submit the Request for Graduation at www.reg.chula.ac.th under "Request for Graduation" and follow these procedures:

1. Check the correctness of your personal profile, education background, and program enrolled in. You should check all these information and then SUBMIT your request for graduation. Should there be any change of information, you must contact the Office of the Registrar with any applicable proof. Any changes cannot be done after the Faculty had announced the list of graduates.

2. You should submit the request for graduation **within the period scheduled in the Academic Calendar**. If the submission is incomplete or is done after the deadline, you are subjected to pay 100 baht late fine per day (maximum 3,000 baht) according to the University's announcement B.E. 2562

3. Eventually, if you are not eligible to graduate, **contact your faculty's registrar office to cancel your graduation request**. After the Faculty has notified the Office of the Registrar, you will be able to register in the following semester. You will also have to submit the request for graduation again in that semester or the semester you expect to graduate.

Students can follow up their graduation process under "Students > Request for Graduation". If your information has not been found, you should contact your Faculty's Registrar Office.

Incomplete submission of request of graduation will result in 100 baht late fine per day (maximum 3,000) baht according to the University's Annoucement B.E. 2562
